

Crustal Dynamics 2016 Special Seminar

Date: July 13th (Wed.) , 2016

Venue: Seminar Room1-03, No.6 Building, Graduate School of Science,
Hokkaido University

14:00-15:00

Dr. Guillaume Richard (University of Orleans), Upper mantle melting and the lithosphere-asthenosphere boundary.

15:00-16:00

Dr. Hugues Raimbourg (University of Orleans), Crustal strength: the effect of phase mixing in ductile shear zones.

16:00-17:00

Prof. Laurent Jolivet (University of Orleans), Mediterranean and Tethyan geodynamics, crust-mantle interactions.
